A WORD FROM PHIL WALDREP, WOMEN OF JOY FOUNDER & CHIEF EXECUTIVE OFFICER

Since beginning conferences in 1984, there is one thing I have learned: unless the Spirit of the Living God touches, moves and changes hearts, everything we do will be in vain. As a result, conferences that operate without the breath of God fail to make an eternal difference.

At Women of Joy, our heart's desire is for attendees to experience the presence of our Heavenly Father. We also want them to know that He cares for them.

Women's Prayer International was an answer to our prayers. This group of committed prayer warriors bathed every session in prayer. In addition, they prayed with ladies in the prayer room. The ministry of WPI at Women of Joy raises the spiritual standard. Phil Waldrep Ministries and Women of Joy are excited about the continued partnership with WPI and the lasting spiritual impact it will have.
