All to the Glory of God

It brings joy to my heart to hear of pockets of revival throughout the U.S. and ongoing revival in other countries. However, I also have heard some people refer to the body of Christ in America as “America’s sleeping giant”. Is the overall body of Christ where you live desperately in need of a spiritual awakening? If so, how do we get there from where we are today? As Christians, we agree that our only hope is in God, and we have heard His answer quoted over and over again from Second Chronicles 7:14, that “If my people, who are called by My name, will *humble themselves* and *pray* and *seek My face* and *turn from their wicked ways*, then I will hear from heaven, and I will forgive their sin and heal their land.” Brothers and Sisters in the Lord, not only is the survival of Christian principles in the here and now in our world at stake, but the sheer destiny of future generations. At this critical time in history, the question that each of us needs to answer is “What can I personally do that will fulfill God’s prerequisite to heal my land and establish His kingdom in my city?”

The 40th chapter of Isaiah reads “Prepare the way of the Lord; Make straight in the desert a highway for our God...the glory of the Lord shall be revealed, and all flesh shall see it together; For the mouth of the Lord has spoken.” When John, the Baptist was asked who he was in John 1:23, he answered “I am the voice of one crying in the wilderness; Make straight the way of the Lord.”... Now, the question for us to answer is “*Am I a voice of one crying in the wilderness to prepare the way of the Lord to inhabit my city?*”

Sister in the Lord in WPI --- when you unite with other sisters in repentant humility to seek God’s face in prayer, *your single voice becomes a united voice crying in the wilderness*, making straight (preparing) the way of the Lord - that His glory shall be revealed, and all flesh shall see it together - *His very presence inhabiting your city*. Ministry Partners, who pray for us and support us financially --- we say thank you so very much! Your partnership enables us to expand our territory and to encourage and equip Christian women to unite to pray in their neighborhoods or places of work for the transformation of *their* city and nation for Christ. To each reader...may God encourage you in the area of service that He has entrusted to you to prepare the way for the Lord in the here and now, unto His glory.
