To Our Dear WPI Encouragers

How we love and appreciate each and every one of you! We say **thank you** to our guides, hostesses and prayer members for your faithfulness - some for **all** of our past 10 years!! We are also **so grateful** for those of you who have supported us financially and lifted us up in prayer over the years, because you believe in the power of prayer and in WPI!!

Now, may we look to the future--- Are your hearts turned, perhaps more than ever before - to want to seek God's mercy for your nation and beyond, and His wisdom in the days, weeks, and months ahead. Knowing that those whom we elect in our cities, states, and nations will have an impact on every piece of legislation that will be passed at every level of government, we sense that these elections may perhaps be the most important of the entire history of our nation and world.

If any of you precious women who have never experienced one of our WPI prayer times would like to invite a friend or co-worker to join you to pray for 1 hour, we would love to help you get a glimpse of one. *May we meet with you and share why we believe in the guidelines of WPI.* It is so easy to pray in one accord for 50 minutes (without discussion) what the Holy Spirit has placed on your hearts to pray. It is such a blessing --be it only two of you or a small group. Call us at (210) 349-PRAY or toll free at (866) 325-PRAY (7729)
