From WPI Prayer Warriors

In August '05, I answered God's call to "united prayer" through Women's Neighborhood Prayer Int'l, now Women's Prayer Int'l. Since that time God has provided opportunities for our group to share Christ with believers and non-believers about what He is doing in answer to prayer for our city and nation. WPI is a ministry that has provided a prayer focus strategy that covers every aspect of our prayer life. May God continue to guide WPI leaders as we follow hard after Him. **Terry Mims, San Antonio Prayer Guide**

It has been a joy to meet ladies from other churches, other denominations and to worship and pray with them. We are all united in Christ and His Spirit is very apparent. WPI has enriched my life in that the prayer format has taught me how to pray in a very specific way. It has been exciting to me to see answers to the prayers, and to be a part of the answers. **Donna Frost, San Antonio Prayer Member**
