

THE HISTORY

What began in 1997 as the Women's Prayer Committee for the South Texas Billy Graham Crusade has grown into Women's Prayer International, a network of women who come together once a month or more in their neighborhoods or places of work to pray for the transformation of their city and nation for Christ.

Revival historians tell us that there has never been a great spiritual awakening in any country or locality that did not begin with Christians uniting to pray across the boundaries that separated them.

It was for this reason that WPI was founded. Our desire is to be a resource to encourage and equip women to come together as prayer warriors for the kingdom of God.

*In Essentials Oneness
In Non-Essentials Love
All to the Glory of God*

“Through uniting to pray with sisters in Christ from many backgrounds and denominations – charismatic and non-charismatic, Catholic and Protestant – we can change the moral climate of our neighborhood, place of work, and our city. We can impact our national destiny as we pray for pastors, civic leaders and for the salvation of friends, family members, and everyone without Christ. We always take the last ten minutes for prayer for our personal needs, and those prayers have personally blessed me.”

*Mary Lieck, WPI Prayer Guide;
active member of Trinity Baptist, San Antonio, TX*

THE MOTIVATION

God alone is the one who motivates hearts to move toward reconciliation and oneness in Him.

Our neighborhoods and our places of work are our mission fields, and united prayer is on God's agenda.

The time is short, and it is the heart of God to fulfill Jesus' prayer in John 17:20-23 before Jesus returns for His bride, the church.

When God looks on a city He sees one church, His body.

When we, the church, unite in passionate prayer, the crippling walls of division will come down.

As we bombard the heavens with **united prayer**, Satan will be paralyzed, captives will be set free, and millions will come to the saving knowledge of Jesus Christ before He comes again!

THE MISSION

We, as co-laborers in the body of Christ, commit ourselves to be used of God to redeem a lost world unto Himself as we unite with one heart to pray across denominations, races, and cultures, not forsaking our own assembly.

By the Spirit of Christ,
we will persevere and trust God for the
increase of passionate intercessors and an
overflowing harvest of souls.

Remember that the moment two or more of us unite in prayer, we become a symphony. As such:

We blend together in unity respecting the fact that we represent all of Christ's body.

We realize that, like a symphony with its different instruments, there are a wide variety of traditions when it comes to prayer.

We commit ourselves to accepting one another as we are, while disciplining ourselves to use wisdom and caution if we think anything we might do would offend a brother or sister.

*"If My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."
2 Chronicles 7:14*

"Women's Prayer International is based in San Antonio where I serve as a minister at Oak Hills Church. This ministry has had a big impact on my life and the churches in our city. One of the things that I love about this organization is that they remind us of the importance and priority of prayer. Their work is essential."

*Max Lucado, Author and Speaker;
Minister, Oak Hills Church, San Antonio, Texas*

"If we are to solve the problems in our world today, the greatest need of the hour is prayer. Women's Prayer International is responding to that need by utilizing the power of prayer and uniting women in voicing their concerns to God."

*Vonette Bright, Author and Speaker;
Co-Founder of Campus Crusade for Christ International*

WOMEN'S PRAYER INTERNATIONAL

Are you concerned about the spiritual condition of your city and nation and those who do not know Jesus? Would you like to pray with a local group of Christian women who have the same heartfelt concerns?

WPI is a multi-cultural, multi-generational, multi-denominational united intercessory prayer ministry. We are sisters in the Lord who unite to pray once a month in our neighborhoods or places of work for a transforming and on-going revival in our cities and nations.

Our Lord Jesus Christ prayed for His church: "...that they may be one, as You, Father, are in Me, and I in You; that they also may be one in Us, that the world may believe that You have sent Me."

John 17:21 NKJV
